COLLOQUIUM

Sponsorship Opportunities

Call for sponsors

Dear all,

The University of Ibadan Medical Students' Association (UIMSA) Committee on Curriculum Assessment, Research and Development (COM/CARD) would be having a medical education colloquium with the theme: '**Building Bridges to Produce Tomorrow's Doctors Today**'. This event would welcome students from different medical schools across Nigeria, to the College of Medicine, University of Ibadan, to discuss medical education best practices in Nigeria, and specifically at the Ibadan College of Medicine.

Date: Saturday, March 19, 2022

Time: 10:00 am - 2:00 pm

Venue: Paul Hendrickse Hall, University College Hospital, Ibadan and Online

We are pleased to offer you and/or your organisation the opportunity to partner with us, through sponsorship packages, to make this colloquium a success. Through participant materials, educational support, advertising, networking and name/logo placement, you and your organisation would be provided with the tools required to showcase your activities to impact the course of medical education in Nigeria, while giving you adequate exposure to a captivating audience of potential clients, consumers, product users and customers.

Below, you will find our range of sponsorship packages, and we look forward to partnering with you to reposition the trajectory of medical education in Ibadan, and indeed in Nigeria.

Sincerely,

UIMSA COM/CARD
